The H.E. General Prem Leadership Scholarship

The revised H.E. General Prem Leadership Scholarship will be awarded for the first time in May 2018 during the Graduation Ceremony.

The scholarship is a one hundred percent (100%) tuition fee discount for the following academic year.

This scholarship is of great significance as it recognises the student who best represents the values of our school over a long period of time and who, accordingly, is seen as a young person who is striving for excellence, lives sustainably, celebrates diversity, champions the causes of others and above all, is a compassionate "good thinker" who leads responsibly.

To be eligible for the H.E. General Prem Leadership Scholarship, students nominated must:

- be currently in 11th Grade and will continue into 12th Grade;
- have attended Prem from 9th Grade;
- have strong academic grades in High School;
- have participated in informal and formal leadership roles during their time in the High School;
- have participated in artistic, cultural, and sporting activities throughout her/his time in High School;
- have clear support from teachers and students that s/he manifests Prem's guiding statements and has consistently demonstrated leadership in support of students, above her/his own interests, and
- have never been involved in major disciplinary infractions that have necessitated suspension or similar consequences.

The selection process

Step One

During April 2018, teachers and students will be introduced to the eligibility criteria describing the profile of the ideal candidate and to the selection process in a formal meeting during one Homeroom period. Key dates will be confirmed and the timeline published together with the eligibility criteria on the Senior School noticeboard and the school website.

Step Two

In April 2018, teachers in the Senior School will be provided with ballot forms and they will, in secret, nominate students for this scholarship based exclusively on the published eligibility criteria. The Nomination Committee will review the nominations and all students who have garnered more than fifteen (15) nominations will be included in the next phase of the selection process.

Step Three

The Nomination Committee will then review the nominees and check that they meet the eligibility criteria as previously stated above.

If the Nomination Committee finds that any of the major criteria have not been met in full, the name of that student will be removed from the list of nominees. The Nomination Committee will present the list of finalists to the Head of School and to no other person.

Step Four

After the IBDP examinations in May 2018, the Head of School will give notice of their nomination to each nominee and publish the list of student nominees, both on the Senior School noticeboard and on the school website.

Step Five

After the IBDP examinations in May 2018, all students and teachers in the Senior School will be provided with ballot forms and will vote in secret for the student they believe best meets the criteria and so deserves the H.E. General Prem Leadership Scholarship.

The Nomination Committee will count the votes and report the outcome to the Head of School and to no other person.

Step Six

The Head of School will report the outcome of the voting procedure to Mom Tri and to the Chair of the Scholarship Committee.

Mom Tri will announce the name of the winner of the H. E. General Prem Leadership Scholarship during the Graduation Ceremony in May 2018.
