An International Baccalaureate Boarding and Day School  
Chiang Mai Thailand

## 1-to-1 Laptop Policy

Following discussions with the whole school community, Prem Tinsulanonda International School made the decision to choose Apple as the preferred platform to launch its 1-to-1 laptop program.

Since that time, Prem Tinsulanonda has worked on creating a partnership with Apple Thailand, and is committed to providing continued teacher training and professional development for staff in use of Apple related technologies which will only enhance learning in the classrooms.

Therefore, as part of the admissions process, all students entering Grade 6 or above will be required to own and use a MacBook Air or MacBook Pro at Prem Tinsulanonda. Whilst parents are free to purchase their MacBook at any suitable store, we are able to offer educational prices which may compare more favourably to the prices quoted. Please contact admissions or I.T. for the latest educational prices.
