## PREM BOARDING PROGRAMME

# WELCOME TO PREM BOARDING

**Prem International School offers flexible boarding options for students in Grades 3-12.** We believe that boarding and school life are an integrated community that enables our boarding students to extend their learning outside normal school hours. Prem boarding options are tailored to meet the diverse needs of our students and their families.

## Global Community

At Prem, we foster a diverse and inclusive environment that celebrates a wide range of cultures, beliefs, and traditions. Boarding students are immersed in a unique setting where shared experiences build lasting friendships, and strong bonds of trust and honesty are formed with mentors and adults—connections that last a lifetime. Our boarding philosophy emphasises respect, self-discipline, and collaboration. Students learn to balance independence with a sense of community, equipping them with the skills and values needed for success in both life and future careers.

## Character Development

One of the unique strengths of the Prem Boarding Programme is its emphasis on character development. With boarding parents and staff living alongside students, and students residing away from home, our programme fosters self-discipline, independence, and personal growth. Boarding parents play an integral role in guiding students through their journey of self-discovery, while also supporting their academic progress and providing individual attention for their overall development.

## Beyond the Classroom

Boarding students at Prem are encouraged to participate in a wide variety of after-school activities that support both their academic growth and personal development. Our comprehensive weekend schedule includes cultural excursions, community service opportunities, and recreational activities, ensuring a well-rounded and enriching boarding experience. The Prem Boarding Programme is also flexible, allowing professional athletes to seamlessly integrate their training schedules with both their academic and boarding life. Our structured timetables ensure a balanced approach, with dedicated time for study, recreation, and socialising with peers.

## Open Communication and Parental Partnership

Sending your child to boarding school is both an exciting and emotional experience. We understand that, as parents, your top priority is ensuring your child's academic success and emotional well-being. We prioritise open and ongoing communication to ensure that every student feels fully supported throughout their journey. We deeply value the trust you place in us and are committed to maintaining the highest standards of care and excellence.

## Expert Care

The safety and well-being of our students is our highest priority. At Prem, we ensure the protection of boarding students through a dedicated team of boarding parents and staff, on-campus clinics, and comprehensive student support services, and 24-hour nursing team and security staff.

This holistic approach fosters a secure, supportive environment where the health and safety of every boarding student are consistently prioritised.

## Where Global Students Thrive

Our international boarding community brings together students from a variety of countries, supported by a diverse team of boarding parents and staff from all corners of the world.

## Thoughtfully Designed Boarding Accommodations and Facilities

Our boarding students reside in thoughtfully designed, self-contained apartments across two clusters, each consisting of four towers. These accommodations offer a comfortable, secure, and community-oriented environment. Our boarding students also benefit from access to a range of school facilities available on campus, including golf driving ranges, a swimming pool, tennis courts, a climbing wall, gymnasium, library, fitness centre and more.
